Croft: . . . We weren't doin' any campin'. After Saturday evening, they said that we're getting back together in the night to do some land navigation drills in the evening.

Penrod: Hmph hmph.

Croft: Now the concept seems really awesome. I mean doing navigation night vision glasses, cool. We end up riding out, you know, um,

Penrod: Hmph hmph.

Croft: ...they're talkin' about grabbin' the Governor and this, that and the third.

Penrod: This is... No, this is not the Governor of the... The one you spoke about earlier, is,

Croft: Yeah.

Penrod: Be the Governor of Michigan?

Croft: Yea, yeah, this is Michigan's Governor and this is Michigan's guys.

Penrod: Okay.

Croft: Now I'm like this is the ride out. I mean, you know what I mean, to where we're supposed to be doin' this, this deal.

Penrod: Okay.

Long: But you think that you're just there to do land navigation?

Croft: Yeah, land navigation, right. Like I'm not, I'm not here for any of that shit

Long: Okay.

Croft: ...and like honestly, like I really participated minimally and I, I mean like I just talked, you know, just to seem like hey, you know, he's not gonna be that, that guy, you know what I mean, the um, but I wasn't with it and I'm, and I'm...

Penrod: Hmph hmph.

Croft: ...not "with it."

Long: Right.

Penrod: Was it not "land nav" or what was it?

Croft: Well I mean it was "land nav." Um, I...

Long: (UI).

Croft: Ah, you could have put me anywhere. I didn't know where I was.

Penrod: Okay.

Croft: I'm in Michigan for God sakes.

Penrod: Right, right, right, right.

Croft: I'm not out, I don't even have my phone on.

Penrod: My point was were you..., were you walkin' around the woods or were you drivin' a car?

Croft: No, no, no, no. We were..., we were riding in vehicles basically just tagging the vehicles. You know what I mean? Um...,

Penrod: Oh yeah?

Croft: We'd get out once in a while..., we'd use the night vision, spot each other, strobe a light, you know what I mean, dumb shit, but the conversation that they were having while we were doing this was...,

Long: (UI).

Croft: You know, they grabbing the Governor and I'm not with that man.
